### Bilag A. Summary

The summary is made up of disclosure requirements known as “elements”. The elements are numbered in sections A-E (A.1 - E.7).

This summary contains all the elements required to be included in a summary of the issue of this type of securities and the issuer. Not all elements must be stated. Therefore the numbering of the elements may not be consistent.

Even though an element may be required to be inserted in a summary of the issue of this type of securities and the issuer, it is possible that no relevant information can be given regarding such element. In cases where an element is not relevant to a prospectus, the summary states that the element is “not applicable”.
