MiFID II product management/target markets

THE TARGET MARKET FOR THE BONDS IS RETAIL CLIENTS, PROFESSIONAL CLIENTS AND ELIGIBLE COUNTERPARTIES - Solely what applies to the individual producer's procedure for product approval, the assessment of the target market of the Bonds led to the conclusion that: (i) the target market for the Bonds is solely eligible counterparties, professional clients and retail clients as defined in Directive 2014/65/EU ("**MiFID II**"), and (ii) all channels of distribution are appropriate. Any person who subsequently offers, sells or recommends the Bonds (a "**Distributor**") must take the producer's assessment of the target market into consideration. A Distributor who is subject to MiFID II is, however, under the responsibility to undertake his own assessment of the target market of the Bonds (either by assuming or improving the producer's assessment of the target market) and also to determine appropriate distribution channels subject to the Distributor's execution of suitability and appropriateness tests under MiFID II, if relevant.
