Final Terms dated 11 April 2022 Jyske Realkredit A/S LEI code: 529900R9HQNZRT2OXB26 Business Reg. No. (CVR-nr.): 13409838 ("Jyske Realkredit")

for the issue of Covered Bonds (SDO)

These final terms ("**Final Terms**") shall only apply to Covered Bonds (SDO) issued in the ISIN code stated below ("**Bonds**"). The Bonds were issued according to Jyske Realkredit's base prospectus for the issue of Covered Bonds (SDO), Mortgage bonds ("RO") and bonds issued pursuant to Section 15 of the Danish Mortgage-Credit Loans and Mortgage-Credit Bonds etc. Act (Section 15 Bonds) dated on 22 February 2022 and any addenda to this base prospectus ("**Base Prospectus**").

Together with the terms of the bonds in the Base Prospectus section 5 "TERMS OF THE BONDS", these Final Terms constitute the terms of the issued Bonds.

The total prospectus for the Bonds consists of the Base Prospectus and the Final Terms. Definitions stated in these Final Terms shall be understood in accordance with the definitions in section 5 "*TERMS OF THE BONDS*" of the Base Prospectus. Definitions stated in the Base Prospectus will have the same meaning in the Final Terms unless otherwise stated by the context.

MiFID II and UK MiFIR product management/target markets

THE TARGET MARKET FOR THE BONDS IS RETAIL CLIENTS, PROFESSIONAL CLIENTS AND ELIGIBLE COUNTERPARTIES - Solely what applies to the individual producer's procedure for product approval, the assessment of the target market of the Bonds led to the conclusion that: (i) the target market for the Bonds is solely eligible counterparties, professional clients and retail clients as defined in Directive 2014/65/EU ("**MiFID II**"), and (ii) all channels of distribution are appropriate. Any person who subsequently offers, sells or recommends the Bonds (a "**Distributor**") must take the producer's assessment of the target market into consideration. A Distributor who is subject to MiFID II is, however, under the responsibility to undertake his own assessment of the target market of the Bonds (either by assuming or improving the producer's assessment of the target market) and also to determine appropriate distribution channels subject to the Distributor's execution of suitability and appropriateness tests under MiFID II, if relevant.

Appendix A - Summary of the Bonds

This summary covers Jyske Realkredit A/S' ("**Jyske Realkredit**") issue of Covered Bonds (SDO) ("**Bonds**") in the ISIN code stated below.

The summary is made up of disclosure requirements known as "elements". This summary contains all the elements required to be included in a summary of the issue of this type of securities and Jyske Realkredit as the issuer.

Even though an element may be required to be inserted in a summary of the issue of this type of securities and Jyske Realkredit as the issuer, it is possible that no relevant information can be given regarding such element. In cases where an element is not relevant to a prospectus, the summary states that the element is "not applicable".

 Jyske Realkredit draws the attention of prospective investors to the fact that: This summary should be read as an introduction to the prospectus; any decision to invest in the Bonds should be based on consideration of the Base Prospectus as a whole where a claim relating to the information contained in the Base Prospectus is brought before a court, the plaintiff investor might, under the national legislation, have to bear the costs of translating the prospectus before the legal proceedings are initiated; and civil liability attaches only to those persons who have tabled the summary including any translation thereof, but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus, key information in order to aid investors when considering whether to invest in such Bonds.

Key information about	
	ortant characteristics of the Bonds?
The currency, nominal value and number of the Bonds	The bonds are issued in Danish kroner (DKK) with a face value of 0.01 (unit size). The bonds carry a floating rate of interest and are non-callable.
The rights associated with the Bonds	The Bondholders will together with other holders of mortgage credit bonds and covered bonds as well as Privileged Derivative Counterparties have a primary preferential right (after deduction of expenses relating to the administration of the estate in bankruptcy and similar expenses) to all the assets in the capital centre through which the relevant ISIN code was issued, and subsequently a primary preferential right to Jyske Realkredit in general (also after deduction of expenses relating to the administration of the estate in bankruptcy and similar expenses) in pursuance of the provisions of the Danish Mortgage-Credit Loans and Mortgage-Credit Bonds etc. Act.]
The relative seniority of the Bonds in the issuer's capital structure in the event of insolvency, including information of their place in the order of priority and the potential effect on the investment in the event of resolution within the framework of BRRD Directives	If Jyske Realkredit goes bankrupt, the funds in a capital centre will be applied - after payment of costs for administration of the estate, etc to payment of claims from the Bondholders as well as Privileged Derivative Counterparties with the same preferential position as the Bondholders. Bankruptcy does not constitute an event of default. The trustee must to the extent possible continue to make the payments without changes. If the full amounts due cannot be paid on the due date, the Bondholders and Privileged Derivative Counterparties shall retain their claims and preferred rights. At worst, it can only at the final statement of the estate in bankruptcy be clarified to which extent the Bondholders and Privileged Derivative Counterparties can have their unpaid claims covered. If Jyske Realkredit is under resolution within the framework of the BRRD Directives (2014/59/EU and 2019/879/EU), the resolution authority shall seek to resolve Jyske Realkredit in the most appropriate way by using the possible tools available. This may, for instance be the sale of a capital centre to a third party, transfer to a temporarily state-owned company. Mortgage credit institution and hence the Bonds are not subject to obligations to write down/convert (bail-in). Once a year, Jyske Realkredit submits a recovery plan to the FSA. The recovery plan includes a number of indicators that must continuously be complied with and be included in the reporting. The recovery plan must ensure timely intervention in order to secure the recovery of the institution. If recovery is not possible, the resolution authority has a series of options available for intervention and takeover of the institution to ensure financial stability.
